No new matter has been added and no inventorship change is believed to result from the amendments proposed herein. The above amendments should not be construed as constituting any admission with respect to the patentability of the previously claimed subject matter. Applicants reserve the right to pursue any canceled subject matter in one or more continuing applications.

It is requested that the above proposed amendments be entered and that the claims be examined on the merits. Early and favorable consideration is requested. Should any questions arise, the Patent and Trademark Office is invited to telephone the undersigned.

Respectfully submitted,

---
